Volume 36 No 6

So that's it for another season - Chelsea and Man U. won't be playing each other for, ooh, at least a couple of months. So what can we get all excited about in the meantime? D'oh! What a no brainer! Let's face it, while a fair proportion of the population might get their jollies watching squillionaires kicking a ball about, it doesn't really compare to the thrills that can be had from checking out the sextastic selection of totty we've got on offer this month. Quite aside from ultra-babe Jesse Jane (undisputed front runner to inherit Jenna James's mantle as Queen of Porn, not to mention pinching her initialled bath towels for good measure), we've got Girl of the Year runner-up Sarah doing her best to show her appreciation for your support in the only way she knows how! Throw in newbie cutie Val, and Stella finally getting it on with Peaches, and I think we have a Champions' League all of our own… – **The Ed.** ♣

TWIST & POUT

Please, please, please can we see more of Monica, the cover girl from 36.5? She was one hot babe and her pout was something else. I can imagine how enjoyable a blow-job off her would be – although any other form of sexual interaction with her wouldn't be too bad either!

I've always wanted to shag a bird in a swimming pool so when I saw the lovely Monica getting wet I was made up. If only girls like her frequented my local swimming pool I might endure the cold showers and risk catching a verruca! If you don't show her again I might have to start a petition!

RUDE AWAKENING

My wife Sophie is a game girl when it comes to sex and is always surprising me in the bedroom, but I'm so excited what happened the other night I just had to write in.

Sophie's best friend, Sara, came back to the UK from Australia for a family wedding. While she was back my missus arranged a girlie night out on the town and for the two of them to come back to stay at our place.

So the girls were getting ready and had a few warm up drinks at home before hitting the nightspots of Cardiff. I stayed at home and was the babysitter for the night.

When I eventually decided on going to bed, which was just gone midnight, I fell straight asleep. But I was awoken what must have been several hours later by the front door slamming and the two girls trying to be quiet but making even more fucking noise. They'd obviously had a good time and my missus, probably not wanting it to end, asked her mate to jump into our bed for a kiss and a cuddle.

I was now half awake and I could hear them getting undressed down to their underwear. Sophie has huge knockers and all her friends

love them, so Sara started to grab and squeeze them. Sophie then started to fondle her friend's tits and soon the girls were both aroused. Sophie pulled the bed sheets back to find me naked, half asleep with a semi-on. She thought it would be funny to give me a blow-job to wake me up, which she did. It was only when I woke completely and looked did I realise that it wasn't Sophie, but her friend Sara noshing me off.

I just lay there and enjoyed the time before coming around and have my missus look at me and say, "Well, are you going to fuck her then?"

I was amazed and wasted no time in giving it to her. I got Sara to sit on my cock and ride for her life. My missus then sat over my face and allowed my tongue to explore her sweet tasting fanny while I played with her nipples – that got her off every time.

Sophie eventually climaxed and I got to taste her luscious cunt juices before Sara got off my cock and took me in her mouth again just as my balls twitched into life and filled her throat with a stream of warm jism.

She managed to swallow the whole lot before finally licking my bell end for the extra drops. When a bird does that it gets me extra hard again straight away. Sara lay on the bed for a rest and my missus bent over so I could do her from behind. I started to fill her slowly at first but then she moved over and got herself between Sara's legs licking her warm cunt. The sight of my missus eating pussy soon had me pumping harder and harder before I eventually filled her hole with more of my man muck.

Sara went back to Oz two days later but she is due to return to the UK and I can't wait to see her stay over at our place again.

After purchasing last month's copy of Club I'm glad I live in the UK. If I didn't I wouldn't have also got the free Stella DVD. I know if you live outside the UK you can get your hands on much muckier porn, but I prefer style over substance any day of the week and when you've got Stella to watch it's nice to use your imagination. I hope there are more DVDs soon, I'd love to see one with that horny little minx Peaches.

BROWN'S THE NEW BLACK!

At least it is for Lucie who can't stop raving about rear end fun!

PHOTOS: LOBO PRESS

Brown seems to be the theme in these photos of Lucie, and it was certainly the theme of the post-shoot conversation with her. Although she's hardly what you'd call inexperienced when it comes to sexual antics, she did confess to only recently becoming an anal convert.

"I put off getting fucked up the arse for ages," she told us. "It had never really appealed to me, the thought of a guy sticking his dick up there, I was always fully satisfied by getting fucked in my pussy. Anyway, I was doing a lesbian shoot a few months ago and the cute little blonde I was filming with started fingering my bum. I found it quite ticklish at first but then realised I actually enjoyed it, so that evening I met up with my boyfriend and finally let him fuck me up the arse. I have to admit it was one of the most tremendous shags I have ever had – and now I'm an anal addict!" ♣

BEADIN' LOVELY

Nikki Blond is the type of girl I buy your magazine for so I was ever so pleased (to put it mildly!) with her appearance in last month's issue. To me she has the classic porn star look – blonde hair, perfectly round boobs and a completely shaven fanny. I'm a fan of Stella as well but there's something about Nikki, maybe her filthy sneer, which gives her the edge for me. That beaded necklace as got me thinking about giving her a pearl necklace. I love fucking a girl and then pulling out to splash all over her face and tits and it's my dream to do it to Nikki one day!

astounded when Kirsty suddenly lifted her top and flashed her bare breasts at me. With a wave and a saucy smile the little tease disappeared behind a curtain.

Then the other afternoon I was lounging about at home, enjoying a day off when the doorbell rang. I was delighted to see Kirsty standing on the doorstep. She is petite with shoulder length dark hair. She looked fantastically sexy in a skimpy pink cropped top, which struggled to contain her large round tits, and a provocative tight white denim mini-skirt, which did absolutely nothing to conceal her gorgeous tanned naked thighs.

As I ogled Kirsty's shapely young body my cock quickly grew hard in my boxer shorts. Welcoming her inside the little strumpet giggled when my raging hard on brushed against her as she squeezed past me.

"Have you got something you want to show me?" laughed Kirsty as she moved up close to me. "Let me see your big hard cock," she giggled excitedly as she rolled down her top and let her ripe tits spill free.

"I can be a very naughty little girl at times," giggled Kirsty ***(We've twigged that! – Ed.)*** as she nimbly pulled down my boxers and unleashed my swollen throbbing prick.

"Feel my pussy," whispered Kirsty. "You know you want to," she added as she wrapped her hand around my hard shaft and gently wanked me off. Picking her short skirt up around her waist I fondled Kirsty's firm buttocks before slipping my hand inside her moist white panties. She purred in delight as I rubbed her hot wet pussy lips and moaned with pleasure when I finger fucked her tight little hole and stroked her clit, making the horny young slut come several times, covering my fingers in her sticky sex juices.

Sinking to her knees in front of me naughty Kirsty took my cock in her mouth and rolled her tongue around its sticky purple helmet. Tugging the root of my dick Kirsty massaged my balls as she expertly sucked my cock. Within a couple of minutes she brought me to my limit. I groaned in pure pleasure as my cock exploded, filling Kirsty's mouth with a full load of hot creamy spunk.

As she swallowed my load the come kept on gushing out of my cock, coating her pretty face in the sticky white fluid.

"Mmm, that was delicious," she purred as she licked my prick clean, "I bet you're a beast in bed. Take me to bed and fuck me."

So that's exactly what I did. I led her upstairs and moments later in my bedroom Kirsty completed her strip, quickly getting rid of her top, panties and mini-skirt. Totally naked she lay on the bed with her legs wide open fully revealing her shaven pink pussy. She urged me to get closer so I joined her on the bed I ran my hands over her voluptuous firm young body and squeezed and stroked her ripe round tits. She sighed in delight when I cupped her boobs in my hands and licked and sucked her erect pink nipples.

Licking my way down her body, savouring every inch, I pushed my face between Kirsty's firm thighs and crudely dragged my tongue over her pussy lips. Kirsty writhed and squeezed in glee as I slipped my tongue inside her juicy hole and over her clit.

Dying to fuck the filthy young tart I rubbed the swollen tip of my hard cock over her little cunt.

"Put it in me," Kirsty begged as she kneaded her tits. "I need your hot cock stuck right up my juicy little cunt."

Hearing that I thrust my thick shaft deep inside her tight little hole and screwed her with the hardest and fastest strokes I could possibly muster. She squealed as she wrapped her legs

SHADES BETTER

Mixed race girls are the best so I loved Christine in the last issue. I could tell from her eyes that she's got a bit of Far Eastern in her, but rarely do Oriental birds have a body as shapely as hers. Please can we see more mixed race babes in your mag – how about the gorgeous Thandie Newton for starters?
Pete, Devon

Thandie Newton?! That's a nice thought but we think a lookalike might have to suffice. Matching her whopping Hollywood pay might overstretch the coffers a bit… and that's even if we threw in the Ed's monthly booze allowance!

RICH PICKINGS

I'm sure I'm not the only one to think that Susan, the leggy and long-haired bit of crumpet in Vol.36.5, looks a bit like Paris Hilton. I'm also sure I'm not the only reader who has a thing for posh birds because under their cold and condescending exteriors we all know what they're really like – as Paris Hilton's naughty sex tapes prove. There's nothing more satisfying than getting into the knickers of a rich bitch and (speaking from experience, here!) they're much keener to take it up the wrong 'un, too!
Jesse, Harlow

around my back, trying to get my swollen erection as far up her pussy as it could go, just as I was doing.

After a few minutes of pumping my cock in and out of Kirsty's tight fanny I warned her that I was close to coming.

"Come inside me," she gasped, "shoot your hot spunk up my hole, I want you to fill my pussy. I want it all!"

Suddenly I felt my cock twitch and tickle as a huge wad of hot come erupted out of my cock and fired inside her soaking wet, wanton pussy. She screamed in pleasure as my hot white mess filled her cunt, causing a massive orgasm to rip through her body.

"You are something else," Kirsty remarked as I pulled my withering prick out of her hole. "Can I come over again?"

"As long as you don't tell your parents you can come over whenever you like," I replied. And since then she's been doing just that. And on the days when I've had to go to work I get a cheeky flash of her boobs from her bedroom window as I'm leaving my house!

SWEPT AWAY!

We certainly were when we caught a glimpse of Janie!

PHOTOS: GIORGIO BELLI

We reckon once you've seen these flicks of hot beach babe Janie it won't just be the tide that's rising, right? When we saw them we were think about two things – the obvious, and where to go on holiday this year. We even asked Janie if she had any travel tips…

"I can take a holiday anywhere, it's the company that counts. The last time I went abroad was for a weekend in Paris with my ex. To be honest we didn't see any of the sights because we stayed in our hotel room fucking for the whole duration! Actually, I could see the top of the Eiffel Tower from the balcony of our hotel room – I noticed it when my ex was fucking me from behind!

"I think this year I'm going to go somewhere hot so I can get up to some filthy alfresco fun. Somewhere with a beach like this with secluded coves. In fact, if we weren't working, now would be the ideal time."

In that case, let's break for lunch! ♣

This Month: CONSOLES

Technological essentials for the 21st century chap. JACK BRAND picks out the good, the bad and the ugly of the gadget world...

Imagine the scene: it's Christmas Eve during the mid-70s. You're half-cut on Watkins Party 7 and avidly playing Pong on your Atari 2600. Suddenly in a puff of seasonal smoke, the Ghost of Christmas Yet To Come stops by after tormenting some poor miser and, for a bit of Xmas fun, decided to give you a quick glance of the Sony PlayStation 3. Chances are, once told it would take around 30-years before you could play it you would have ripped out your mullet in torment.

But then, playing your shite tennis game, you would have had no idea about the nerdish gaming journey that awaited you over those 30-years. You'd be utterly ignorant of the numerous generations of games that would come and go until mankind finally developed the first of the true big boys, Sony's ground-breaking PlayStation, Sega's Saturn and the Nintendo 64. Yes, modern gaming eventually arrived and lo! the world was a better place.

PLAY ON

So where could we go from there? Simple – consoles that offer incredibly detailed graphics, rapid play, colossal landscapes, online gaming, wireless control, backwards compatibility, movie playback and even motion sensitive capabilities. The trouble is, while all these staggering entertainment abilities are available within the emerging Seventh Gen camp, they're not all available in just one console. So it's going to be bloody difficult picking between them...

THE ESSENTIAL KIT

Sony PS3

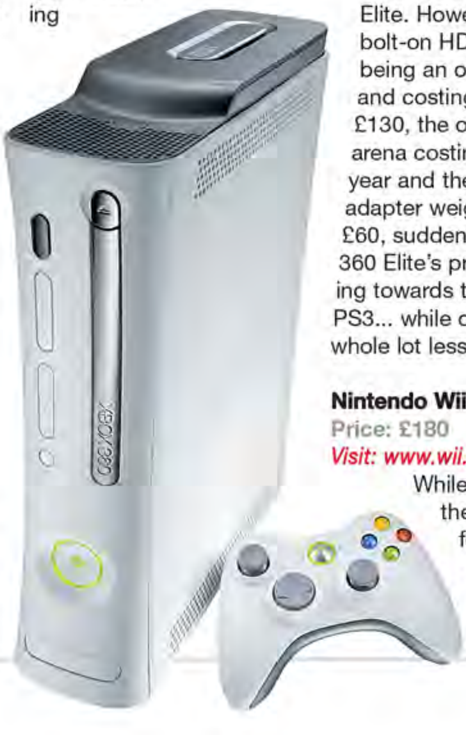
Price: 60Gb £425

Visit: www.ukplaystation.com

Not only the most advanced gaming machine around, offering motion sensitive, wireless controllers (up to seven via Bluetooth), a FREE online service and Wi-Fi link up with the PSP, the PS3 is also a media server for digital music and video, lets you surf the web, and can playback DVD, CD, SACD and the all-new Blu-ray format for high definition games and movies.

The PS3 has the performance of a supercomputer and is some 40x faster than the PS2. So you can expect to see detail and realism in games like never before, such as glass cracking based on the size of the object that hit it. Cool.

The price may seem steep, but for an advanced games console, media server, and CD/DVD/SACD and Blu-ray player that will let you surf the Internet all in one, it's actually a ruddy bargain.



Microsoft Xbox 360 Elite

Price: £245

Visit: www.xbox.com

In answer to the arrival of the PS3, Microsoft have upped the Xbox ante with the new Xbox 360 Elite. Now available in a PS3 aping black, the new Elite comes with a whopping 120GB hard disk drive to store not just more content, but high definition content, and now there's a proper HDMI port for watching those (rival to Blu-ray) HD-DVD movies too.

Naturally, online gaming capabilities are still in place, as is the wireless controllers and, in a bid to tempt away potential PS3 buyers, Microsoft will bundle all cables with the Elite. However, with the bolt-on HD-DVD player being an optional extra and costing an extra £130, the online gaming arena costing £40 per year and the Wi-Fi adapter weighing in at £60, suddenly the Xbox 360 Elite's price is creeping towards that of the PS3... while offering a whole lot less.

Nintendo Wii

Price: £180

Visit: www.wii.com

While the PS3 and the Xbox 360 fought their own personal battle, Nintendo managed to sneak in the back door with the Wii. Utterly incapable of taking on the Xbox 360 Elite and not worthy of even uttering the PS3's full name when it comes to spec, Nintendo instead decided to go down the 'fun' route. And it seems to be working.

While the Wii has the whole wireless controller thing sewn up, what else it offers is a completely new, motion dependent way to play games thanks to an array of control tools, and the ability to download classic games from the NES, SNES, N64 and Sega Genesis for free. On top of that, of course, the Wii is also relatively cheap.

If you game for relaxation and pure pleasure, rather than needing to team up with a 10-year-old from Salt Lake City online to take on an epic war across an endless virtual landscape, then look no further.

Alienware Area-51 7500

Price: around £1,500

Visit: www.alienware.co.uk

Boasting the fastest gaming processor with the fastest gaming cards, this is a typically brutal gaming PC from Alienware. Under the menacingly shaped hood lurks the quad core Intel Core 2 Extreme QX6700, delivering 4x the speed and 4x the power of standard dual core, and a 256MB Nvidia GeForce 7950 graphics processor, keeping gaming as fast and as savage as you can handle. Of course, like all Alienware PCs, the specs come entirely customisable, so you can hype performance up beyond even this... but at a considerable price.

Obviously, being a PC, it offers you all the benefits of that, running Windows Vista. But what really makes it stand out above all others in its particular pond is that it is also a Blu-ray player, giving you that added extra. One for the serious, committed gamer… who has probably not seen the sun for quite some time. ♣

SARAH

COMING SECOND!

Sarah's used to it, so she's more than happy with our award!

PHOTOS: NICOLAS SAGE

Ladies and gentlemen, we're assuming mainly gentlemen, please bid a warm welcome to the girl you voted second place in our girl of the year contest. Yes, the delightful, the dazzling, the debonair… Sarah! And what do you know, she only gone and written an acceptance speech…

"I don't know what to say – other than thanks. If I could come round and thank each one of you that voted for me individually, believe me I would, but the staff at *Club* told me how many votes I actually got and I don't know if I could give that many blow-jobs!

"I don't mind the fact that I only came second – *Club* is always full of gorgeous girls so I'm honoured to have been placed so high. Plus it means I'll have to work harder – and dirtier – this year to maintain my position, so if you don't mind I'll get down to what I do best and get my clothes off…" ♣

The LOWDOWN

It's all here – from scraping from the world's newsbins, to top tips and fanciful facts. If you want to keep your finger on the pulse, you'd better get... the Lowdown!

Aye, lads... there's

NOWT AS QUEER AS FUCK

HOUSE ARREST

Exasperated Brit housewife Josie Medlock imprisoned two home improvement contract workers and two supervisors in her home in East Dene last December, refusing to release them until they finished remodelling her kitchen by Christmas as bloody well agreed.

A local government mediator worked out a compromise, according to *The Sun*. But then who's daft enough to believe *The Sun*?

Besides, if they're kitchen contractors, they're probably still there, fucking about and making cups of tea and excuses.

CENTRAL INTELLIGENCE KNICKERS-THEFT CASE LEAVES FISHY SMELL

A 48-year-old mid-level CIA employee who has been with the US Central Intelligence Agency for two decades, recently pleaded guilty in Fairfax, Virginia, in December to breaking into 10 homes and stealing 1,074 pairs of women's smalls, spiriting them away neatly folded in zip-lock bags.

A number of questions immediately present themselves – not least why a mere 10 private residences yielded an incredible 1,074 pairs of skimpies. Did he have inside help? Was this a black op? If so, what the fuck...?!

MORPHINE, JUST IN CASE

Canadian inventor Troy Hurtubise has spent years struggling to create an impervious "grizzly bear-fighting suit", which will allow him to engage in actual punch-ups with 8ft-high bears. In the last two years alone, he has invested over $15,000 to create what he calls the "first ballistic, full exoskeleton body suit of armour" to protect Canadian soldiers in combat. (Whether he imagines they are planning to go to war with bears or with human foe is unclear.) But recently, Troy announced that he is ready – ready to test his ultimate bear-fighting suit – proclaiming that he would put the suit on and lumber out of the trees if the Army would start firing high-powered rifles at him. (The rifles are a puzzle, but doubtless some wag told Troy that most grizzlies who thump hunters steal their rifles and learn how to use them.) In addition to the armour, Troy's astonishing outfit contains a knife, a transponder, a recording device to capture his last words should his suit be "breached"... oh, and a container of morphine. Just in case the whole exercise turns out to be a fatal farce.

URBAN LEGEND...

...OR HARD FACT? YOU DECIDE!

"THE UNHAPPY CAMPERS"

A young couple went on a camping holiday in the Scottish Highlands and one night they got plastered beneath the stars and had it off drunkenly in the doorway of the tent. Unfortunately that night there was a "flash frost", and the young man awoke in the morning to find his feet still sticking out of the tent and his bare legs and feet covered in frost. Brushing the frost off in annoyance, the lad was fucking freezing due to his inebriated stupidity in not having crawled all the way inside the tent the night before and he suggested that they wander along to the closest hostelry for some alcohol to keep out the dreadful chill that had taken hold of him.

The girlfriend wanted to walk but the boyfriend said his legs were hurting, so why didn't he keep out of sight for a second until some passing vehicle stopped to give the lassie a lift. It was a trick they'd tried a few times, and usually worked.

Today, however, they were not so lucky. A van pulled up in response to the girlfriend's raised thumb and the boyfriend saw her smile at the driver and put her head inside the driver's window. When he saw the driver nod, he strode out of his hiding place to jump into the car after her. The only problem was that the driver immediately drove off with just the girlfriend, a length of piano-wire fixed rounded her neck dragging her along the road behind the back bumper!

Worst of all, as the boyfriend strode into the middle of the road to shake his fist at the mysterious stranger who had horribly murdered his girl, his right leg broke off at the hip and his left leg snapped at the knee and he fell on the tarmac. The flash frost had, of course, given him what scientists call "gumboot gangrene" when he pulled the wellies on over his frost-damaged legs and tried to march about on them.

Today he just sits in a wheelchair, staring at his stumps, his hair white and sticking up like Ken Dodd's , all the time weeping and screaming. Not only did the local police never find his dead girlfriend or her killer, but they entirely failed to locate either one of them and nothing else whatever is known about the weird and eerie sequence of events, except that it probably happened just outside the squalid little Scottish town of [DELETED], which has been on my shit-list for years and which I am always delighted to defame, and that there have always been rumours that a man walks the hillsides at night with a five-gallon jerry-can of liquid nitrogen.

Some people even believe that this man is the man with no legs with his legs back on! And seldom will you find a house whose door is left unbolted after nightfall!

In this month...

47 YEARS AGO

The Congo became independent after 80 years of Belgian rule by fat blokes who looked just like Hercules Poirot and said "Ah, but that is where you are wrong... my dear Umbongo". (PS. If Belgians do not wish to be compared with bloody Poirot all the time, they should really make the effort to be even vaguely interesting. Plus they should try not to keep saying "but that, *mon ami,* is where you are wrong").

Within mere days of its independence from Belgium, the land long known as the Belgian Congo (which will later go around calling itself "Zaire"), is engulfed in strife and chaos as multiple individuals, tribes, and political groups battle for dominance and control of the country's immense hidden mineral riches.

To this end, the Americans and the Brits perceive the dangers of what they denominate "a classic communist effort [to] take over government" - this "with disastrous consequences for the interests of the free world" and take measures to defend democracy in the bit of the Congo where the loot is.

73 YEARS AGO

1934. Ernst Roehm, leader of the Nazi Party's uniformed street thug movement "The Brownshirts" (so called because they all rubbed shoulders with crap every day) is suddenly confronted by a suspicious and vociferous Adolf Hitler who reportedly rants and raves and shakes his fists at him for five hours solid.

Hitler does not trust queers and fears an unexpected rearguard action on Roehm's part which will get his government in trouble with the Bolshevists. He also thinks that Ernst's liaisons in toilets will bring the Nazi Party into "disrepute", which is a bit rich when you think about it.

Roehm will shortly be arrested and perish mysteriously in his cell with his trousers round his ankles, a note reputedly being found by his body requesting that the DVD be named after him.

TOP TEN...

...WAYS TO GET YOUR SIGNIFICANT OTHER TO HAVE A BOOB JOB

1. Just ask her – making certain to offer to finance the op. Hey, you never know your luck.

2. Come home in a fit of temper and tell her that you have just decked a so-called mate of yours who implied that her tits are "like mosquito bites". Wander away muttering in exasperation that there's only so many people you can thump into silence before everybody's making fun of them.

3. Bring home a bag full of big tit porn movies. Slot one into the DVD player just as she is about to settle down to watch *EastEnders*. Ignore her protests and start making appreciative noises like the front page headlines in *The Daily Sport*. She'll start to become agitated, as she will be missing her soap fix, but wait it out until she starts to look desperate and then make a bargain with her. You'll watch the tit movies later if she promises to have her jugs enhanced.

4. Every time you see a bird with a sizeable rack point her out to your nearest and dearest, and say, "Cor, look at the knockers on that bird". She'll soon get fed up with listening to you and either run along and get some surgery, or dump you. Freeing you up to track down a bird with some serious tit on her.

"TELL HER YOU HAVE INVENTED AN IMAGINARY FRIEND – ONE WITH HEAVING GREAT KNOCKERS"

5. Walk into the bathroom when she's taking a bath and start soaping her. When you get to her tits, sit back and scratch your head. Then, remark that you could almost swear that her tits are shrinking. If you stick to your story and act shocked, she should believe you and agree to have her bristols enlarged.

6. You've taken her to dinner, you've bought her champagne, and now you are in bed with her. Take a tit in each hand, look surprised, then shake your head as though you're sure you must be dreaming. When she asks what's up tell her that you were sure she had bigger breasts, then sigh and remark that it must have been "Sally" you were thinking about. She'll get mad and demand to know who else you are shagging. Feign concern, and tell her that as she has been too busy lately to take care of your needs, that you have invented an imaginary friend – yes, one with fabulous great heaving knockers. Then kiss her, and smiling brightly, offer to make an appointment for her, so she can look better than "Sally".

7. Give her a gift voucher for her birthday, altering the second "b" in "boob" to "k" to make "book" read differently. Then await results.

8. Start spending your wages on whores. When she finally twigs that the cash is missing from your account, tell her that you just can't last a week without having a double handful of tit. You love her, but, let's face it she has two ping-pong balls for a bosom. When she becomes borderline suicidal offer to drive her to the plastic surgery clinic to fix her little problems while continually playing down the importance of psychiatry.

9. Start talking about nothing but big tits. Insert facts about how erotic you find big tits into every conversation that you have. Eventually she'll ask you what the fuck you are up to. Admit that you have an obsession with large mammary glands and that you just keep making Freudian slips. Then offer to go halves on turning her tiny tits into whopping wonders.

10. Start leaving leaflets from the various jug-enhancement clinics around your home. Suggest that she may like to look at the great deals on tit enlargement. Leave it a week and if she still won't bite, be a man and get down on your knees and beg. ♣

"No, I said 'Do you know the way to Oldham?'"

ORCHID YOU NOT!

Quality home-grown smut gets a rare outing…

Pornography with extremely high production values is nothing new to us – here at *Club International* we've been purveying such exquisite filth for well over 30 years. But it's always pleasing to see other porn outfits adopting similar values and British company Orchid are doing just that with their roster of glossy sex films, the ever-so-stylish *24 Hours In London* being their introductory offering. So when they threw a bash in London, we had to be there…

And aren't we glad we were, as a hot handful of the UK's current porn contingent were present. Handful being the apt word since the amply-chested likes of successful export Michelle B and bukkake specialist Sandie Caine were on hand to flash their generous wares. Regular star of our sister mag *Mayfair*, Renee Richards, and the Asian babe Sahara Knite were also in attendance, so once the complimentary booze got flowing, so did the fun and while it might not have lasted 24 hours, it certainly was a night to remember! ♣

JESSE JANE

We catch up with a US porn princess who's no plain Jane…

WORDS: LOBOPRESS

Of all the American porn stars, there are only a few girls that are considered so damn hot that even the jaded insiders blush when a certain name is mentioned. Entire film crews show up well before their call time just to make sure they don't miss her entrance, and porn journalists lose their inquiring streak in her presence and just stare dumbfounded.

Such a starlet is 21-year-old Jesse Jane. Look up 'Sex Goddess' in any self-respecting dictionary and there should be a picture of Jesse. Ironic then, that this young Texan is completely unaware of her tremendous sex appeal and just wants to play sports with the boys.

We gallantly offer a couple of balls she can play with, as we sit down for an interview. But Jesse just laughs. Bet she hears things like that all the time. Bet she gets laid a lot, too.

Oh, well. At least there's the interactive *Virtual Sex With Jesse Jane* DVD for the rest of us.

PHOTOS: JOONE, DIGITAL PLAYGROUND

You look every bit the glamorous movie star in person.
"Thanks! It's funny, because when I'm not working, I'm such a tomboy."

You certainly had us fooled.
"But I really am. I drive race cars and watch sports, especially football, and I always hang out with the guys. I'm just a fun girl. I can adapt to anything."

So how did you end up in porn?
"I've always watched porn videos with my buddies. And it seemed like a really cool job. Before this, I was doing lots of bikini modelling, and I loved the attention. One day I read about Tera Patrick in a magazine, she was my idol and a contract star with Digital Playground. I figured I should contact them since I had always wanted to be a big sex symbol myself."

So they flew you out to LA and nailed you to a contract?
"Yes, they signed me right away to a three-year deal. It is very mellow to be under contract. I do only a few movies a year and spend most of my time doing PR or photo shoots for magazines. For some reason it turns me on to know that people look up to me for my sexuality. I feel like Marilyn Monroe!"

> **"For some reason it turns me on to know that people look up to me for my sexuality"**

How about boyfriends?
"No, no, no. I'm very single. What's cool about being single is that if I'm out in a nightclub and I have an attraction for a man or a woman, I can go ahead and act on it. So I love it, especially since I travel so much. I can do anything I want, sexually. The variety is great."

What are you like in bed?
"I'm crazy. I'm very dominant. I like to be on top and in control. It's like a wrestling match; I can go for a long time. So I will throw you around and fuck you for hours. But I also love to give blow-jobs, so sometimes I will make the guy come over and over without even having intercourse."

How do you give good head?
"The trick is what I call 'The Corkscrew'. While I suck on your cock I use my hand up and down and twist it around the shaft. It gives you more of an erection and makes you extra sensitive. Trust me; you are going to come and come again. Just like that!"

"While I suck on your cock I use my hand up and down and twist it around the shaft"

So how old were you the first time you had a close encounter with a dick?
"17. I lost my virginity to my high school sweetheart. It was quite horrible because I had no idea what I was doing. But after that, it just got better and better and now I'm addicted!"

How about girls?
"Oh, I love women, they are beautiful. Before I started in this business, I would watch Traci Lords movies and get totally turned-on. I had sex with a girl the first time when I was 18. I have actually had more lesbian encounters than I've had straight ones. It's easy, fun and carefree."

Teach us how to make love to a woman.
"OK, this is something I'm actually pretty good at. Most women don't get off during fucking unless they are on top, when they can hit the clit and climax. Eating a girl out is what works best. And don't bite her clit! I've had a lot of guys who weren't all that good lovers because they tried to attack my pussy. You must go down there very slowly, kiss her thighs, use your fingertips and tease her. Rub up and down blow on her pussy and make her body tingle. It heightens her arousal, so she will be ready for your tongue. Slowly lick her pussy, stick your tongue in there. Lick her clit teasingly. I guarantee you; any woman is going to get off so fast after that treatment. It works every time!"

> **"I have actually had more lesbian encounters than I've had straight ones"**

Are you getting recognised yet?
"Yes, and it's almost ridiculous! I walk out of my house in Los Angeles, and people are coming up to me left and right, asking me to sign things. I'm so happy and excited about it, but it's shocking at the same time."

What do fans usually tell you?
"Basically they just give me compliments like 'I love your work' or 'you're so beautiful'. And of course many people comment on my bee-stung lips. They wonder if I have plumped them up with silicone, but I haven't. They're real."

Do you like sex toys?

"Yes, I use them all the time at home. I even have some Jesse Jane signature toys on the market. I love the Clit Climaxer, and then there is this Bunny vibrator that sucks your pussy and moves up and down really fast on your clit. But my latest favourite is the new Lipstick vibrator. The top of the Lipstick vibrator has the same angle as a brand new lipstick. That angle, straight at my clit, gives me multiple orgasms. Oh, my God! I have to change my batteries all the time!"

What is the craziest thing you've done for real?

"I've done some pretty wild things in my personal life. I've been with seven girls at the same time."

Wow! How on earth do you do that?

"You take turns. I can handle two girls at the same time, that's not so difficult. I use my fingers and my hands on one girl while I'm using my tongue on the other. But with seven, you have to switch off and take turns. But it's a lot of fun, none the less."

> **"I use my fingers and my hands on one girl while I'm using my tongue on the other"**

Would you have sex with a fan?

"If I had chemistry with him, Hell yes!"

So what would be the best way to get you all hot and bothered?

"Just walk up to me and say hello, introduce yourself and be normal. Or if you're near me on the dance floor, come up and start dancing with me. For me, that's a great place to meet new guys because if we dance well together, I bet we will also fuck well together. You will more than likely be able to take me home that night."

What types do you fall for?

"Mostly foreigners! I've met quite a few because I've been to France, Germany and England. I love to fuck European men because they are so passionate compared to the Americans. The way they talk to me with their accents, it just turns me on." ♣

BAT BEYOND THE STARS

Two aliens were visiting Earth to research the local customs. They split up so that they could learn more in the time allowed. When they met to share their knowledge, the first alien told of a religious ceremony it had seen.

"I went to a large green field shaped like a meteorite crater. Around the edges, several thousand worshippers gathered. Then two priests walk to the centre of the field to a rectangular area and hammer six spears into the ground, three at each end. Then eleven more priests walk out, clad in white robes. Then two high priests wielding clubs walk to the centre and one of the other priests starts throwing a red orb at the ones with the clubs."

"Wow," replied the other alien, "what happens next?"

"Then it begins to rain."

HARD BOILED

A wife was in the kitchen boiling eggs for breakfast when her husband walks in and asks, "What's for breakfast?"

She turns to him and says, "I want you to make love to me this very moment."

He, thinking it's his lucky day, stands her over the kitchen table and they have sex. Afterwards he asks, "What was that all about?"

She answers, "The egg timer's broken!"

GRAVE CONCERNS

A couple are having an argument. The husband yells, "When you die, I'm getting you a gravestone that reads, 'Here Lies My Wife – Cold As Ever'."

"Yeah?" she replies, "When you die, I'm getting you a headstone that reads, 'Here Lies My Husband – Stiff At Last'."

TIME IS TIGHT

A man goes to his doctor for a complete check-up. He hasn't been feeling well and wants to find out what's actually wrong with him. After the check-up the doctor comes out with the results of the examination.

"I'm afraid I have some bad news. You're dying and you don't have much time," the doctor says.

"Oh no, that's terrible. How long have I got?" the man asks.

"10..." says the doctor.

"10? 10 what? Months? Weeks? What?!" he asks desperately.

"...9...8...7..."

EARLY TO DROP

Three old men aged 70, 80 and 90 are sitting in the lounge of a nursing home. The 70-year-old said, "just once, I'd like to take a good, healthy piss."

Then the 80-year-old said, "You know, I wish just once I could take a solid shit."

Then the 90-year-old spoke up: "Every morning at 7am sharp, I have a healthy piss. And every morning at 7.30am like clockwork, I take a solid shit. You know, just once I wish I could wake up before 8am."

KEEP THE CHANGE

A man enters his favourite posh restaurant, and while sitting at his regular table waiting for his meal to arrive, he notices a gorgeous woman sitting at a table nearby all alone. He calls the waiter over and asks for their most expensive bottle of Merlot to be sent over to her, knowing that if she accepts it, she is his for the entire night.

The waiter gets the bottle and quickly sends it over to the woman saying this is from the gentleman at a nearby table. She looks at the man, then at the wine and decides to send a note over to the man. The note read: "For me to accept this bottle, you need to have a Mercedes in your garage, a million pounds in the bank, and nine inches in your pants."

The man, after reading this note, sends another note to her. It read: "Just so you know, I happen to have a Ferrari Testarossa, a BMW 850iL, and a Mercedes 560SEL in my garage; plus I have over twenty-million pounds in the bank. But, not even for a woman as beautiful as you are, would I cut three inches off my dick – just send the wine back."

BENT COPPER

A man is caught speeding down the motorway at 100 mph and is stopped by a policeman who asks him to get out of his car and walk straight down the middle white line in the road.

Doing as the policeman says the man does get out his car and attempts to walk down the line. The policeman stops him and says, "I'm afraid I'm going to have to arrest you, you're staggering."

Hearing this the driver turns round and says, "Oohh! You're not too bad yourself!"

Wined, dined and sixty-nined – we know the way to Val's bed!

PHOTOS: SCOTT WARD

We would make the obvious remark about a woman's place being in the kitchen but we fear the ensuing backlash such a comment might invite. Heaven forbid being labelled as sexist! Besides, what with Ramsay, Oliver and the rest of those celeb chefs choking up our prime time viewing these days, Valerie reckons the 21st century kitchen is a man's domain…

"I'd much prefer a man to cook for me, rather than the other way round. I've found that if he's got good kitchen skills then he's likely to have good bedroom skills, too. I'll certainly show my appreciation if a guy makes a really tasty meal. If he does a good job with the dinner he gets a lot more than a blow-job for afters, and can look forward to breakfast in bed the next morning – with my pussy as the main course!" ♣

BROOK YIELDS

Forget bricks and mortar, you're better off investing in a Brooklands motor...

Apart from death, nothing in life is more certain than tax. There's no getting away from the talons of the Treasury. If you're self-employed and have a sneaky accountant, you can sidestep a fair amount of income tax. But the Exchequer will still get you to cough up in other areas. Like stamp duty.

British homeowners may patronise poor first-time buyers half to death, but they can't stop grinning at the sight of house prices spiralling – until they come to sell, that is. Offload your grotty studio flat for £249,999, and the Chancellor's coffers get £2,500. Get some fool to pay £250,000 and above, and it trebles.

Yet if you are hovering around the quarter-million mark, why not invest in something a bit different? It's got great views all-round, is wonderfully luxurious, beautifully appointed and will thrust you right to the top of the social pecking order. That's right, for around £250,000, you could get the keys to a brand new Bentley Brooklands.

This beautiful machine marks Bentley's return to the ultra-luxury coupe market, from which it has been absent since the Continental R was axed in 2003. It shares its underpinnings with the Arnage saloon and Azure drop-top, and its styling is classic Bentley.

The long bonnet and short front overhang, plus the long rear overhang, provide the car with a muscular look in profile, which is enhanced by the pillarless windows and massive 20-inch alloys. A huge grille at the front gives it real road presence, and this sweeps upwards into a steeply angled windscreen and a low roofline. Then there's the classic Bentley 'floating' windscreen. The lower edge of the glass sits well above the upper edge of the bootlid to give a stunning, flowing line to the back of the car – and it can only be achieved by hand-welding the C-pillars to the rear wings.

Such peerless attention to detail continues inside. Each of the four individual seats is heavily bolstered, while aluminium pedals and footrest add to this sporty feel. The Brooklands' cabin is wider than the previous Continental R's, both in the front and rear, to ensure the optimum comfort, and the expanse of glass adds to the feeling of space. The finish is beautiful, with the highest-grade, hand-stitched leather and gorgeous wood veneers used throughout. All the dials look stunning, and the switchgear has a solid, expensive feel. There's also a single piece of leather for the rooflining, which flows uninterrupted from the front to the rear of the cockpit, adding a stylish finishing touch.

Under the bonnet is a 6.75-litre twin-turbocharged engine which delivers a massive 530bhp to the rear wheels. That makes it the most powerful Crewe-built V8 ever – a real landmark for Bentley, as the unit follows in the footsteps of the legendary all-aluminium eight-cylinder found in the 1959 S2. Its torque output is equally impressive – another new high for the firm, at 1,050Nm – and the six-speed automatic transmission stirs supercar levels of pace out of the powerplant.

Impressive as the speed is, though, what sets the Brooklands apart is how it combines incredible handling with the kind of serene refinement Bentley customers have come to expect. The new coupe is more overtly sporting than the Arnage and Azure, and has a keenness and agility in corners that belies its 2,500kg kerbweight. The steering is perfectly balanced, and provides the driver with an accurate idea of exactly what's going on beneath him, while standard stability control and a locking torque converter mean there's plenty of grip as you press on into and out of bends. Yet as well as raising a smile on a B-road, the Brooklands gives a cosseting, cushioned ride that takes the sting out of long A-road and motorway journeys.

When you look at the huge fuel bills, eye-watering running costs and bankrupting depreciation of this gorgeous Bentley, the pitfalls of the property market don't seem quite so scary. Then again, with idiots paying millions for tiny little bedsits in Chelsea, perhaps it's not such a daft buy. This car blends awesome pace, sumptuous luxury and incredible comfort and refinement like no other – and with only 550 being made, exclusivity is guaranteed, too. If you've got this kind of cash, it's time to splash out and enjoy yourself before you croak and end up watching from the heavens as your inheritance tax feeds some politician's power trip. ♣

PHOTOS: JACKS

For those of you who think the classic blonde babe look has had its time, you might want to change your mind after seeing Nikki. Yes, she does have blonde hair, but no, she's not as dim as you would expect. Although she is incredibly filthy…

"What's the naughtiest sex I've ever had? That's easy to answer – because it was only last week! I had my first ever threesome with my best mate and her boyfriend. I'm single at the moment and I was telling them how I was missing sex so they presented the ideal solution. Personally I think they'd planned it for ages but I didn't mind, I just got stuck in – I stuck my tongue deep in my friend's pussy while her boyfriend stuck his dick deep inside me! ♣

PERSONAL DETAILS

NAME: Bonnie
AGE: 19
VITAL STATISTICS: 34-28-34
WHAT'S SHE LIKE? If you're good to her then she'll be twice as good to you!

WHY DID YOU WANT TO BE IN CLUB?
I did it as a special treat for my boyfriend. He said it has always been a fantasy of his to see me starring in a porno mag. He said if he had a magazine with me in he can wank off over my pictures when I'm not around!

WHAT'S YOUR FAVOURITE FANTASY?
I've always wanted to fuck two men at once. I like the idea of sucking on a cock while another one is fucking my pussy. The only problem is that my boyfriend isn't totally up for it – but I guess since I'm now fulfilling his ultimate fantasy, he might have to do the same in return.

WOULD YOU HAVE A THREESOME WITH ANOTHER GIRL? YOUR BOYFRIEND PROBABLY WOULDN'T MIND THAT!
It is actually something we've talked about and once we came very near to actually doing it. I had a friend staying at my flat and one night she walked in on me and my boyfriend shagging. We asked her to join us but she thought we were only joking and left the room. My boyfriend was gutted!

WOULD YOU HAVE LICKED HER OUT?
Definitely! I've only been down on one other girl before but I absolutely loved it. The girl had such a sensitive clit I made her come in a matter of minutes. I wish my boyfriend could do the same to me!

DO YOU GIVE HIM ORAL?
All the time. His cock is just the right size for my mouth. He loves it when I suck him off because he knows I don't mind him spunking in my mouth. I never swallow it though, a girl has to have some limits! ♣

STAR RATINGS: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

Image (Digital Playground) DVD

With DP flicks you can usually guarantee the girls will be pleasing enough on the eye, and given that the fuck-tastic Jesse Jane features in three of the five scenes on offer here, it's a banker! First up we join some eager punter who's pulling one off in an adult cinema over a Jesse scene, when who should come in and sit next to him, but the girl herself? The lucky git gives her a damn good stuffing before spraying all over her popcorn. Daisy Marie's up next, and she's another cutie, but the camera-work's a but wanky here, so we cut to scene 3 - Jesse and Alektra Blue in a frenzied lesbo sesh in a gym. It's Isabella Dior's turn next for a nicely shot shafting before Jesse get's another ride, and man, does she know how to fuck! ★★★★

Kinky Bitch (Harmony) DVD

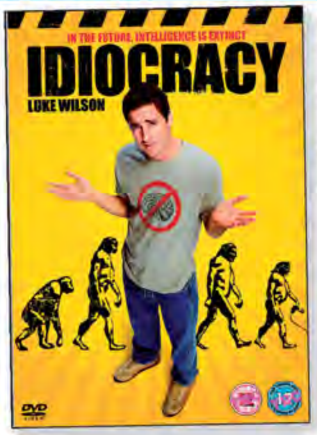
Plenty of British talent on display in this fetishy themed title from harmony. Lolly Badcock, Renee Richards, Michelle B, Taylor Morgan and Natalie Heck are among the talent putting their asses on the line, and pretty filthy they all are, bless 'em! Starting off with a pervy homage to '*Allo 'Allo*, in which a beret wearing blond gets a pretty interrogation from a Gestapo master and mistress (with loads of blistering bummery along the way), the flick unfolds into a frenzy of PVC, masks, toys and the like. Lolly Badcock's buggering by strapping lesbo mistress Strap-On Jane is pretty eye-watering, while the quality of the raunch hardly lets up from start to finish. Rude! ★★★

Tinker With My Stinker (Red Light District) DVD

How could we resist a title like this?! Cheeky chuckles aside, what we have here is a very straightforward gonzo effort, featuring five saucy enough girls getting a thorough backdoor drilling from either director Mark Wood or one of his mates. Strange there are no DPs or anything, but then maybe this is aimed at the old-fashioned, romantic anal porn fan! Cover girl Bree Olsen sets the tone nicely enough, fingering herself into the mood before chowing down on Mark's Johnson. It's not long before he's cramming it into her tasty tush, and drilling her for all she's worth. Thereafter it's plenty more of the same – nicely shot and pretty rude, if a tad repetitive. ★★★

Idiocracy (20th Century Fox)

DVD



Amid news reports that the BBC is dumbing down to appeal to a younger audience, what could be more timely than a movie that sets out to satirize the intellectual downward spiral we find ourselves in? Luke Wilson stars as a (pretty dumb) soldier who, after hibernating for 500 years in an army experiment, wakes up to find himself the smartest guy in the world. Alright, so the budget's clearly not that huge, but it's certainly funny (it's written and directed by *Beavis and Butthead's* Mike Judge) meaning this should really have had a reasonable cinema run before its DVD release, but that's studios for you! ★★★★

Sunday (4DVD)

EMMY® NOMINATED & Winner of Prix Italia
SUNDAY
Written by JIMMY McGOVERN
Starring CHRISTOPHER ECCLESTON

Originally broadcast 30 years after the 1972 enquiry into the highly controversial events of Bloody Sunday, this Jimmy McGovern-penned docu-drama unsurprisingly ruffled quite a few feathers. Based on information gleaned from hundreds of interviews (with British Soldiers, former IRA member, priests, politicians and eye-witnesses) the genesis of the drama was every bit as exhaustive as the enquiry itself (indeed, an unprecedented second enquiry is currently under way). This is heavy TV in every sense, uncomfortable and unsettling, but definitely worth watching for anyone with an interest in "The Troubles"… ★★★★

Dead Man's Cards (Showbox Home Entertainment)

DVD

Hey, isn't that whasisname out of *Only Fools and Horses*? *And The Full Monty*? Yes it is! While Paul Barber may have made his name (or at least got his face recognised) as a comedy sideman, a lot of his roles over the years have been as heavies – let's face it, he's got the mush for it. Given, for once, the starring roll as a down-on-his-luck ex-pug who, having taken on a job as a bouncer at a grotty club, ends up sliding into a world of violent crime, Barber puts in a strong performance, and is ably supported by a cast that includes Samantha Janus and Tom Bell (in his last ever roll). Good, solid, murky British gangstiery. ★★★

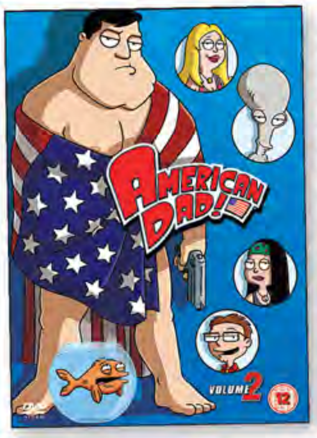
Night At The Museum (20th Century Fox)

DVD

According to a recently published list, Ben Stiller's one of the five most powerful actors in Hollywood, and he certainly keeps himself busy enough. This flicks deviates from his customary fratty style, being, as it is, a pretty wholesome family comedy. Stiller stars as a hapless security guard who is somewhat surprised to fine his charges in the Museum of Natural History come alive at night, with all the expected havoc ensuing. A supporting cast that includes Ricky Gervais, Steve Coogan, Owen Wilson and Robin Williams make do with pretty tiny roles, although it's good to see old stagers like Dick Van Dyke and Mickey Rooney still with us. ★★★

American Dad Volume 2 (Fox DVD)

DVD



Brought to you from the creators of *Family Guy* (like you couldn't guess that from the artwork!), *American Dad* seems to have slipped under the radar of TV in the UK, which is a bit of a shame, because there's got to be a reasonable audience out there for it. Just like *Family Guy*, the heart of the series is a very peculiar family, this time led by CIA agent Stan Smith (again voiced by Seth McFarlane). Other oddities in the household include an Alien (rescued from Area 51) and a German goldfish. Alright, so if it's plausibility you're after, forget it – but if you like snappy dialogue and a steady crackle of gags then this'll see you right. ★★★

Fellini Boxset (Nouveaux Pictures)

DVD

If you're starting to worry about your DVD collection looking a bit, well, divvy, this'll make it look about a thousand times more highbrow in one easy step! Federico Fellini was one of the brightest lights of Italy's post war cinema, directing two of the sure-fire classics of the era in *La Dolce Vita* and $8^{1/2}$, both of which starred the great Marcello Mastroianni and which, along with *I Vitelloni* and *Giuliette Degli Spititi*, comprise this collection. Glamorous, sensual, evocative and slyly moral, these films stand up pretty well after all these years, so even if you don't fancy them yourself, they'd make a good pressie for a brainy rellie… ★★★★★

Jodorowsky Collection (Tartan DVD)

DVD

Thanks to his bizarre Polish/Chilean heritage, you might expect the work of Alejandro Jodorowsky to be a bit skewed, but nothing quite prepares you for the type of cinematic lunacy that's on display in his two great masterpieces, *El Topo* and *The Holy Mountain*. These two, as well as getting separate releases, get the box set treatment – along with his surreal 1968 offering *Fando & Lis* – and all in all they're probably the last thing in cult cinema. Arresting images and baffling plots made these counterculture must-sees in the early 70s, so if you fancy yourself as a bit of a cinema buff, you'd better get tuned-in quick! ★★★★

Girls Gone Wild (Showbox Home Entertainment)

DVD

Argh, all this classic cinema stuff is making our heads hurt! What we really need now is some brain dead post-pub nonsense to chill out in front of. Oh, hang on, what's this? A whole slew of *Girls Gone Wild* DVDs plopping onto our desk? Sweet! These things have sold by the million in the States, and it's not hard to see why – they're crammed full of tasty young lasses getting their tits out, snogging each other and acting in a particularly saucy way. Alright, so they make *Baywatch* look like Ingmar Bergman, but hey! – if you want to see a load of Yank birds jiggling their jubblies, your numbers have just come up! ★★★

TUB HUMPING

I always knew my wife Kelly was bi-sexual. She told me when we first met and as much as I pestered her to arrange a threesome she said she only wanted one partner at a time. I realised I should have been honoured by this, the fact that she wanted to remain faithful to me, so I eventually gave up on convincing her.

Ten years later and we're still happily married and Kelly still looks good for her age. She's 33 but often passes off as a girl in her mid-20s with her firm body, stylish long black hair and smooth skin. She loves sex more than I do and is always begging me for it but the reason I'm writing to you is because recently she changed her mind about not having a threesome.

We'd had a barbecue, our first one this year and although we only had ten guests the alcohol, the music and the hot tub in our back garden made it an enjoyable evening. By the early hours of the morning we were all sozzled and all the guests had gone home. Except for Penny, my wife's oldest friend. I knew there was a bit of sexual history between Kelly and Penny although all that had ended before I was on the scene because Penny had got married. But her husband had recently left her and she'd been adjusting to life alone. We'd done our best to keep her mind off it so when our other guests had left, the three of us jumped in the hot tub.

I was wearing my trunks and the girls were wearing their bikinis but what with all the booze she'd had my wife suggested we all get naked.

"What the heck!" Penny said, undoing her bikini top, swinging it round her head and throwing it into the garden. This was quickly followed by her bikini bottoms and after Kelly and I did the same we were all naked.

I was feeling horny, and sitting opposite my wife and Penny I started to get naughty ideas. I wanted to see them kissing, so feeling bold enough I said, "You two look great together, don't mind me if you want to, you know…"

"You mean this?" my wife said back as she put her arm round Penny, pulled her close and planted a kiss right on her lips.

I was clearly more gobsmacked than Penny was as she put her arms round Kelly and the two of them started an intense snog with each other. It made for great viewing and I just relaxed in the water, grabbing hold of my stiffening cock and tugging myself off slowly. They were going at it so passionately it was as if I wasn't there. But they knew I was, and didn't want to leave me out.

They both stood up and it's then I saw what Penny looked like naked – her breasts were quite small and she was completely shaven down below. I stood up as well and my hard-on rose out of the water like Godzilla – only smaller

and not green. Both the girls' eyes lit up and my wife was the first to take it in her hand, while Penny looked on.

“Go on, taste it if you want,” Kelly said to Penny, so she leaned forward and licked my tip. A few more lashes of the tongue ensued before I watched my entire length disappear into Penny's mouth. Her lips closed around it and then she started sucking. My wife winked and smiled at me and then went behind Penny. I could see Kelly rubbing Penny's arse and then she must have slipped a finger up her pussy. I reached over and did the same to my wife, all the while Penny still giving me a blow-job.

Kelly took to licking out Penny from behind and I thrust my groin into Penny's mouth so that she would suck harder. It seemed she couldn't get enough of my dick, taking it as deep in her throat as she could while my wife was tonguing her at the other end.

“Right,” said my wife, pulling away from Penny's snatch, “I've made it ready for you, now come and fill it with your prick.”

Penny let go of the oral grip she had on my dick, I stood up and moved round to behind her while my wife went the other way. I ran my hand over Penny's hairless twat; it felt so smooth and when I found her hole I rubbed it for a bit before placing my dick at her wet entrance. Kelly was now sitting on the edge of the hot tub with her legs open and Penny had taken to licking her out. I waited until they were comfortable and then I slowly inserted my prick.

Penny's cunt was tight but the wetness helped me slide in with ease. As I started to bang away at her I looked up to see my wife coming off in Penny's mouth. Kelly whimpered and grabbed hold of Penny's head as her orgasm rose. I was quite content with banging Penny's snatch slowly as I watched this happen *(Good for you! – Ed.)*.

“I looked up to see my wife clearly being brought off in Penny's mouth”

When Kelly regained her breath she pulled away from Penny, turned round and leaned over the side of the hot tub, urging Penny to do the same. There they were, both with their rears staring me in the face and both begging for a fucking. I slipped my cock into Kelly's cunt but kept Penny happy by rubbing her slit as she snogged my wife. Every so often I would change, taking my dick out of Kelly and putting it back in Penny. This went on until I felt I couldn't hold the contents of my balls any longer.

I pulled out and told the girls to turn round and open their mouths. They turned round and sat themselves back in the water with

their mouths gaping wide. Tugging frantically on my cock, I was soon spraying my load all over them. Admittedly most of it missed their mouths as I swayed to get them both but what didn't hit the spot was soon licked off each other while I slumped back into the tub.

As I recovered the girls just got on with snogging each other again and fully satisfied I left the hot tub to get dry and go to bed. Guess who joined me ten minutes later? – *Dan, Cardiff*

BAD YOUNG BROTHER

I share a flat with one of my oldest friends, Sarah. We've known each other since we were little, we went to the same school, we even went to the same university and last year we both moved to London for work. I'm absolutely loving the London lifestyle, working hard and playing hard and it's not uncommon for Sarah and I to bring different blokes home each weekend for sex. Recently we even got to share one bloke which was quite a filthy experience but the reason why I'm writing to you is to tell you about how I seduced Sarah's younger brother.

Jason is only 19 and still lives with his parents back up north. One weekend he came to visit Sarah and was staying at our flat. Sarah had to work on the Saturday so it was up to me to entertain Jason. I didn't mind as I've known him for years and he's actually quite a funny lad, although I'd never really seen him as a man. But all that changed when we went shopping in the West End.

He wanted to go to some of the trendy clothes shops so I took him to all the places I knew and patiently waited as he browsed in each shop. We were in one of the bigger department stores when he was trying on a few shirts. He asked me to come to the dressing rooms with him and while I waited outside the cubicle he tried on the first shirt. He came out, asked my opinion, I approved and then he said he'd try on the next one anyway, but rather than going back into the cubicle he took off his shirt, and changed into the next one there and then. As I saw him momentarily topless it was clear he spent a lot of time in the gym. His physique was very toned and I could now see that he was indeed a man. And, yes, you guessed it, I started to fancy him.

"His enthusiasm was obvious in the way his tongue darted out and lapped at my folds"

For the rest of the afternoon as I followed him round the shops I started having dirty thoughts about him. I tried not to because he was my best mate's younger brother, but after seeing his great body, it was very difficult and by the time we got back to the flat I couldn't resist.

We had planned to meet Sarah straight from work and then go out for a meal so I told Jason I was going to get ready. I jumped in the shower and while I soaped myself down I ran my hand between my legs and started to massage my clit. Naturally I had thoughts about Jason and pretty soon I had brought myself off, but I was far from satisfied so I had to take action.

I stepped out of the shower and wrapped my towel around me. Then I walked into the lounge where Jason was slumped on the sofa and demanded his attention. He looked up nonchalantly so to really open his eyes there was only one thing for it – I dropped my towel!

Jason's jaw dropped in astonishment and for the next few seconds he just stared at me.

"Oh… erm," he gasped, eyeing my curvy body up and down. He wasted no time in peeling off his T-shirt as I dropped to my knees by the sofa and headed straight for his belt buckle. I could see a bulge forming in the front of his jeans as I undid his belt and then unzipped his fly. He awkwardly

pulled down his jeans and his boxer shorts to reveal a stonking hard-on.

"Not a bad size," I commented, licking my lips at the sight of it.

"Well, go on then," he ordered, "it won't suck itself!"

Cheeky bugger! Still, I did exactly as he said, leant over and wrapped my lips around his dick. Jason groaned as I slipped his length into my mouth inch by inch. For a cock it sure tasted good and I let him know that by giving it really good head.

As I continued to suck on him, Jason kept making encouraging comments, telling me how good it felt and how he wanted me to suck it harder. I responded accordingly and kept at it until eventually he asked me to sit on his face. That wasn't a request I get often so I gladly straddled him and lowered myself onto his face. His youthful enthusiasm was obvious in the way his tongue darted out and lapped at my folds. I had been given oral sex by men twice Jason's age and none of them had been so skillful. For a young lad he certainly knew what he was doing and within minutes I was having my first climax.

Jason was not put off by my groans of pleasure and continued to feast on my cunt. All I could do was savour the pleasure as his tongue continued to lick me in every conceivable place. Pretty soon I was begging him to fuck me.

"Doggy style!" he insisted, so I turned on to my hands and knees as he positioned himself behind me. He rubbed at my tender slit and then with one forceful stroke he slipped his prick deep inside of me. I clung on to the arm of the sofa as Jason pumped me from behind. I could feel each stroke as it went deep inside of me. Jason stroked my back and my waist with his hands, the gentleness a great contradiction to his piston-like thrusts.

When he pulled out of me I thought he was going to come, but instead he sat back on the sofa and asked me to get on top of him. Now I felt like I was the one who had the power – and rightly so since I was older than him – as I straddled over his lap and impaled myself on his throbbing dick. I threw my arms over his shoulders and looked down at his approving smile before he tucked into my breasts.

Wiggling and jerking my body, I rode Jason's dick as he tongued each of my nipples in turn, sometimes pushing my tits together and burying his face in my cleavage. Now I was sure he would soon come but I was wrong. I rode myself to another loud orgasm before he told me to lay on my back. With my legs wide open and him on top of me he slipped himself back inside my juicy cunt and began the grand finale.

For the next few minutes I was fucked ragged as Jason used all the energy in his fantastic body to pound away at my snatch. Then with a victorious roar his body froze and I felt a hot stream of come flood my pussy. Jason rocked slowly to squeeze the last few drops out of his spent prick before collapsing on top of me in a tired heap. I held him in my arms and as much as I wanted to drift off into a dreamy post-intercourse sleep with him, we had to go and meet his sister.

As you can imagine, we were slightly late but we didn't tell her the reason why! Now Jason visits most weekends he can and I always volunteer to entertain him while Sarah is at work – I just wonder how long it is before she cottons on to what we're up to. Not too soon I hope as Jason is keeping me more than satisfied! – *Jane, London* ♣

BEGGING FOR A BUMMING

My current girlfriend Cindy is one of the most gentle women I have ever met. She is shy in public but warm and incredibly sexy when we are alone in the bedroom. She is always willing and we must have tried out just about every sexual position you can imagine.

However, there are days when she still surprises me with the extent of her need for sexual release. For example, one day last week when I had returned from work and had just finished taking a shower I wandered into the bedroom and found her standing in front of the mirror with her back to me. Her delicate white panties were pulled down to her knees and she was leaning forward slightly, her hands caressing her gorgeous tits. She turned her head over her shoulder and smiled at my momentary shock.

> **"I pushed forward, prodding her wrinkled little orifice with my cock"**

I recovered my senses and watched as her hands gently slid over her body. She was sighing and cooing at the sensations her hands were creating. She cupped her breasts and rubbed her pebble-hard nipples. Then one hand slipped down her tummy and she began stroking her glistening pussy.

I dropped my towel and quietly walked up behind her, fighting the urge to throw her down and take her there and then. I lightly ran my fingers over her shoulders and down her spine, making her shiver, and her nipples grew even harder. My cock became hard and erect as I caressed her arse cheeks and she spread her feet a little as I pressed my body closer to hers. While I was kneading her arse cheeks the head of my cock bumped gently against her moist pussy, and I had to resist the urge to plunge it straight into her.

Cindy shuffled a little awkwardly with the panties still down around her knees as I guided her towards the bed. When we got there I laid her face down, eased them down fully and pulled them free from her legs. Quickly I found the massage oil, and, straddling her, I poured some of the almond-scented oil into my hands, warming it up before dribbling some onto her back and working it into her skin. I started at her shoulders and slowly kneaded my way down to her hips. As Cindy relaxed, her legs eased apart and I was treated to a view of her luscious wet pussy.

I was drawn to it like a moth to a lamp, and I plunged my face against her moist folds. Cindy wriggled and moaned softly in appreciation as my tongue lapped at her sticky pink slot. I wrapped my hands around her waist, holding her steady as I didn't want her to move away. Pushing my face into her warm pussy again, I began lapping at her swollen labia and mopping up her creamy juices with my tongue.

She writhed and sobbed, quietly enjoying the attention as I wormed my tongue around until it finally passed over her small pink bum hole. I swirled it around her sphincter, gently probing her ring with the tip of my tongue.

Her puckered little ring was now totally coated with my saliva and I pressed the tip of my finger against her arsehole, gently increasing the pressure until it slipped inside her. My finger pistoned in and out, loosening her up enough for me to be able to insert a second one. My girlfriend groaned in excitement, thanking me as she wriggled around on my probing digits.

After I gently removed my fingers from her anus, I straddled her hips and rubbed my cock against the opening of her pussy. As I eased it between her moist labia she whimpered and raised her hips. Gently tugging a handful of her curls I leaned up and whispered in her ear: "Beg me! Beg me to fuck your pretty little ring."

"Please darling, fuck my naughty little arsehole," Cindy panted obligingly, looking around at me and giggling. I shunted back and forth inside her hot pussy a few more times before pulling my cock out. Pressing the head of my pulsating knob against her hole I paused for a moment to regain my control. Then I pushed forward, prodding her wrinkled little orifice with my cock until her sphincter gave way and my dick slipped slowly inside. Cindy squirmed and winced as I stretched her anus, grabbing a fistful of sheets and biting down on the pillow.

I inched my cock inside her tiny hole, allowing her time to relax and adjusted to the invasion before pressing forward again. Cindy squealed and wiggled again, so I stopped to make sure she was alright. But Cindy begged me to keep going, encouraging me by telling me excitedly how good my cock felt inside her arse.

With each inch that slid into her she groaned until my cock was buried to the root inside her. Carefully I began to fuck her, starting with a slow pumping rhythm, and picking up the pace gradually. Soon my hips were slamming into her arse cheeks and my balls were slapping against her pussy.

As I began to fuck her in earnest Cindy's moans became louder and she was gritting her teeth and panting hard. Her eyes were screwed shut and she had her fists clenched around the sheets.

"Oh, that feels so good. I'm coming, don't stop, don't stop!" she shouted.

Seeing how close she was to climax, I took a firm grasp of her hips and I began pounding into her for all I was worth. Suddenly Cindy let out a long, low groan and her body stiffened. I knew she was coming and I was coming right along with her! My whole body stiffened as my cock jerked and splurted deep inside her and I felt a steady stream of my come jetting into my girlfriend's beautiful arse. There was so much of the white stuff it began to spill out and as gently as I could I slipped my spent cock out of Cindy. We collapsed onto the bed and curled up together with her whispering in my ear that she'd definitely like to do that again. I told her I needed to get my breath back first! – *Michael, Lincoln*

NAUGHTY FORTY

It was my husband Ewan's 40th birthday recently and I really wanted to make it really special for him. The problem was I'm a fair bit younger than him (I'm only 22, we married when I was just 19!) and I don't earn much money. I told him I wanted to get him something special but he told me not to worry, he said he would pay for us to go away for the weekend and all I had to do was turn up. I felt bad about that but after thinking what I could give him that would still make the occasion one to remember I thought of the ideal gift – my anal cherry.

Ewan was always asking if he could fuck me up the arse but I had always refused. I just didn't like the idea of it. But now I felt it only fair I give him something money couldn't buy. Of course, I would surprise him on the day and deep down I nervously looked forward to it.

The day eventually came and we drove to the hotel he had booked. It was just outside London and we said we would take a trip into the capital the next day, but for now we were going to have some fun in our hotel room. I wanted to look my best for Ewan so I told him to go down to the bar by himself and have a drink while I had a bath and got myself ready. He did just that and I ran myself a bath.

The bath was nice and warm and loosened me up perfectly. Knowing what I was about to indulge in I thought I'd better prepare my rear entrance so I gave it a good soaping and then prodded one of my fingers up it. Then I stuck in another. And then another. I couldn't really get

more than three fingers up there but I was sure I would be able to accommodate Ewan's adequate prick later.

I got out the bath feeling very horny. I had planned to doll myself up in my best underwear but I now had another plan. I'd brought my vibrator with me and thought I'd get my arse ready with it. Laying totally naked face down on the bed I grabbed the plastic toy, flicked the 'on' button and proceeded to bury it up my bum. I did it nice and slow at first, slipping the vibrator in one inch at a time. By the time I had half of it inside me I was already nearing an orgasm – and I'd hardly played with my pussy! For the next few minutes I drew the dildo in and out of my arse while strumming my clit and pretty soon I was coming. I muffled my moans by pushing my face in the pillow and savoured the shivers that engulfed my body. I couldn't believe how quickly I had got myself off and wanted to do it again but thought it best to save myself for the deserving birthday boy.

Ewan eventually came back to the hotel room after a couple of pints to find me lying on my back with my legs spread wide open. As he stood at the end of the bed getting undressed I sung 'happy birthday' to him and then declared I had a very special gift for him.

"What is it?" Ewan asked, clearly puzzled as he stroked himself to hardness.

With that I turned round on to my front and looking over my shoulder at him and spreading my arse cheeks apart I said, "My anal cherry."

"You're kidding me!" he roared with a total look of excitement on his face. "Are you sure?"

"I'm sure," I said, relaxing my body and readying myself for him.

He didn't waste a second. He dived between my legs and pushed his tongue right between my arse cheeks. I squirmed as his tongue lapped around my bum hole – my earlier priming had made it very sensitive. I could feel Ewan pushing his tongue up my hole and when he eventually pulled his face away I knew what was coming next. I felt one of his fingers slot right up there. It went deeper than mine could and felt more like the vibrator I had up there earlier.

When Ewan had two fingers in me the feeling was intense. He gave my arse such a good fingering I groaned loudly. This seemed to spur Ewan on and the next thing I felt was him lining his bulbous knob up against my hole. With one push he shoved his cock all the way in. I gasped as his prick felt slightly bigger than my dildo and to say I could feel it up my anal passage would be an understatement.

> **"I'd brought my vibrator with me and thought I'd get my arse ready with it"**

Ewan began pumping my rump, slowly at first but when I pushed myself back up on to my hands and knees he saw it as a cue to get faster. He grabbed hold of my slender waist and went for broke. I reached back to fiddle with my clit but I needed both hands to support myself as my husband did me as hard as he could. Fortunately he started to play with my pussy as he fucked my arse and a combination of the two soon had me coming again. This time I moaned and groaned so loudly we would have been heard by anybody in the rooms around us, but I just didn't care anymore, it was the best feeling ever.

Ewan's usually able to last for ages, but this arse fucking was clearly too much for him, and he was ready to spurt. I thought he would just empty his load up my rear passage since it was such a novelty but seconds before he blew he pulled out, told me to turn round and unleashed his cream all over my face, wiping the stringy remnants that trickled out the end all over my tits. I massaged his sticky mess into my boobs as he stood over me, grinning and thanking me for such a fantastic present.

"You're welcome, babe," I said with a big grin on my face. "Let's both jump in the shower and after that you can play with your new present again." Needless to say we didn't bother with the sightseeing tour of London the next day, preferring to concentrate on some more serious bum sex! – *Stacey, Warwickshire* ♣

STOP, LOOK AT LISEN!

When this beauty's wearing her boots you'll not want to miss her!

PHOTOS: TIM FOX/MARTIN PATEK

Among the mountain of requests we get from you lot every month, one of the most frequent – or at least, publishable – is to see a girl in boots. Sometimes you specify what girl you'd like to see in boots, other times you specify what type of boots you'd like to see them in. Most of the time though you just ask for a girl in boots, so this month's girl in boots is Lisen…

"I'm a great fan of boots," she admitted to us. "I feel so fucking sexy when I have a pair on, I think it's because they really accentuate my slender legs. Blokes are always saying what great legs I've got, but then again they say the same thing abouts my arse and my tits!

"My last boyfriend loved it when I used to wear my boots when we had sex. He always insisted that I didn't take them off. I think he got turned-on by the feel of leather pressed against the back of his legs – or on his shoulders if we were really going at it!

"I remember one time we were fucking and I had my boots on. He'd had me in all sorts of difficult positions but when it came to him shooting his load he quickly pulled out his throbbing prick, grabbed my legs and shot his spunk all over my boots. Then he asked me to lick them clean. So I did!" ♣

The Club International

Stereo of Filth & Love!

Brought to you by Club's drug-addled music madman DJ Radio Jamaica

The White Stripes

Icky Thump (XL)

Eee by gum – The White Stripes' sixth studio album named after a piece of Lancashire lingo and is it much cop? Better than a bowl of hotpot, six pork pies, and a blow-job.

Simian Mobile Disco

Attack Decay Sustain Release (Wichita)

Any band that has a track called 'Tits and Acid' are always going to know what they are talking about, and Simian Mobile Disco certainly know how to get the party pumping. Blending the right amount of Pet Shop Boys-ishness, style, and experimentation, this little beauty should see a few less fat birds in your bed and hopefully a few more size 8-10ers.

Queens of the Stone Age

Eva Vulgaris (Polydor)

Always up for a laugh, Josh Homme decided to make life a little bit easier for the Polydor marketing department and cooked up a little collaboration with that little bloke from The Strokes – Julian Casablancas. And in all fairness, bearing in mind how much weed they probably got through, it's a fuckin' Bobby Dazzler. The rest of the album is pretty kosher too, so make sure you catch the boys at this summer's festivals before you shag a crusty in your mate's tent. 10 points for coming on his sleeping bag, 5 on his ruck sack.

New Young Pony Club

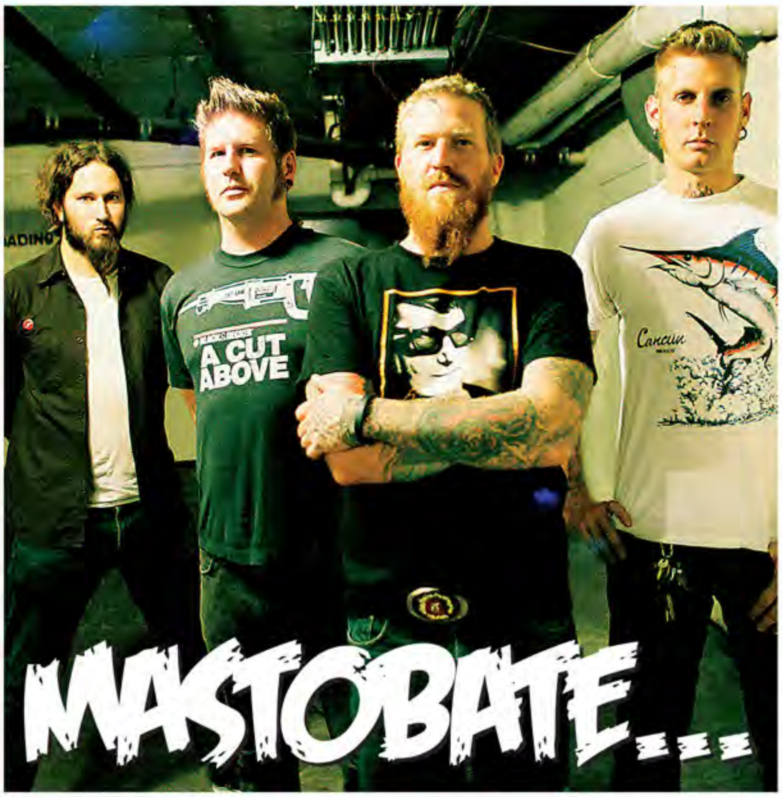
Fantastic Playroom (Island)

Give yourself a cool name, sound a bit gay, and get some trendy east London types to knock up a fashionable video and does that make your record sound good? No, so don't believe the bollocks – this lot are a sack of shit. Should you be fortunate, however, to bump into one of the three ladies in the band, then do not hesitate to stick your cock in her if permitted.

Biffy Clyro

Puzzle (Warners)

Worshipped by anyone who has ever worn a kilt or smoked haggis, Biffy Clyro are one angry set of hairy rockers. But don't let that put you off – this is the easiest way to get into a pair of tartan knickers this summer.



MASTOBATE...

After shagging a couple of groupies and wiping his cock, Mastodon guitarist and vocalist Brent Hinds finds time to chat to the Stereo of Filth and Love...

Have you ever had any nasty accidents?
Yes. One time I was base jumping with some friends in Voss, Norway, and I landed in a bunch of trees as my shoot failed to open. I broke every bone in my body. A couple of years later, I'm totally fine and back in business.

Top answer! What did you do for wanking?
I got someone to do it for me!

Sweet. Have you ever knocked the fuck out of someone?
Yes, I have knocked the fuck out of someone. Just last night, actually. This crazy fan that I have known for a long time would not leave me alone. He was constantly bothering me with stupid music related questions so I asked him to please leave me alone. And he wouldn't so I knocked him out!

Fair enough. Best not to ask you any music questions then! Has anyone ever knocked the fuck out of you?
Yes, I have been knocked out several times. I grew up with a mean older brother that would knock me out in front of his friends for fun. Then I was a drug dealer and that can get pretty unpredictable sometimes in that profession.

I can imagine. What other jobs did you do and did you ever nick anything from work?
I was a construction worker and it totally sucked. I didn't nick anything but I did work with this guy named Nick and we would go to the bar after work and try to pick up girls. Instead we just picked up a bag of blow. I don't know if you guys have ever seen a picture of me *(If you look up slightly you will. He's the one in the front – Ed.)* but it's not easy to pick up girls looking like a hobo especially being all dirty from work.

At least a bag of blow doesn't give you any hassle. Have you ever committed a crime?
Of course I have committed a crime. I am committing crimes right now but I can't tell you which ones they are. They are all very illegal and it feels soooo right.

Yeah! Do you like gambling?
I love gambling – that's how I bought all the properties I own and the yachts that I have. I feel like losing money is a good way to relax.

Happy days. Name your favourite porn videos/actresses/directors etc. What do you like to see in a good porn film?
I couldn't avoid this question! I love porn as does everyone and if they don't then they're crazy and lying. I like Jules Jordan's stuff a lot; he is actually an acquaintance of ours. He has come to shows before and has hooked us the fuck up! I really like to see a lot of girls having real orgasms… legs shaking, squirting, deep throating, anal cream pie, etc…

Yep, so do we! Cheers Brent, take it easy pal.

Mastodon's album *Blood Mountain* is out on Reprise/Warner Bros Records now. Appearing at Download in June.

PHOTOS: PHOTORAMA

I bet all of you who bought last month's issue and were lucky enough to see my DVD are all wanked out now, aren't you? Hopefully you haven't had too much of a good thing (me!), but just in case you have I've got a special treat for you this month – my gorgeous pal Peaches!

When she first started out in porn, young Peaches, or Sweet Pea as we used to call her, was an innocent looking thing, and to some extent she was inexperienced. But a couple of years of working with the best – including myself! – has turned her into a real feisty minx. She'll have a go at anything, give as good as she gets and best of all she looks an absolute babe.

But there's one more thing I really love about Peaches and that's the taste of her pussy juice. I can't describe how good it tastes, it's like the best cocktail you've ever savoured, multiplied by ten. Seriously, it tastes that nice if they bottled the stuff it would fly off the shelves.

When I do a shoot with her I can't wait to get her knickers off and my tongue down there between her legs. Sometimes I can't even wait that long and I'll start off by fingering her and then licking the juices off my fingers to satisfy the craving for her taste.

It's just as well Peaches loves being eaten out, it would be a real waste of those delicious juices if she didn't! Actually, she once told me that a lover was so intoxicated by the taste of her pussy he would go down on her for hours. In the end she had to finish with him because she couldn't handle the amount of orgasms she would have as a result of his fiending tongue. Mind you, I can't blame the guy, if I had the time I'd certainly put in the effort just to experience the taste! ♣
